Drive with a mileage of:

VXI MT, ZXI MT

*As certified by test agency under rule 115(G) of CMVR 1989.

All variants LXI, VXI, ZXI & ZXI+ are BS VI compliant.

MT: Manual Transmission, AGS: Auto Gear Shift

Maruti Suzuki India Limited reserves the right to change, without notice, price, colours, equipment specifications, and models and also to discontinue models and/or replace any part or accessory with any product. Accessory and feature shown in the pictures may not be a part of standard equipment and will differ according to the variant. Image used are for illustration purposes only. *The speed alert system gives audible warning for alert of over-speed to driver. When vehicle speed exceeds about 80 km/h, primary level warning with two beeps will sound every minute. When the vehicle speed exceeds about 120 km/h, secondary level warning with continuous beeps will sound. If the vehicle speed is slowed down to about 118 km/h, primary warning will resume. If the vehicle is slowed down to about 78 km/h, speed alert warning will stop. This buzzer does not indicate any malfunction in vehicle.** Spare wheel material is steel (for all variants) and tyre size is 165/70 R14. ***VDA Method

**Claim supported by independent research agency-JATO Dynamics Limited and is applicable in the petrol category.

*ABS is a device that assists the driver during braking. It does not eliminate the need to drive safely, for example by slowing down when approaching a corner.
